## JASON WU

June 2018

To whom it may concern:

Han Lee has worked as a Design Intern under my supervision at Jason Wu. I developed a high regard for Han while she was with us. She made an exceptional contribution to our design team this year.

Han is bright, dependable, detail oriented, personable, self-starting and creative. Her positive personality, and willingness to learn and go getter attitude brightened the office and made her a pleasure to work with and teach every day.

She will be missed here at Jason Wu, but I highly recommend Han as I am sure she will excel in anything she attempts in the future. Please feel free to contact me if you need any additional information or perspective.

Sincerely,

**Marie Charensol**
